TO: **All Eligible Participants in the Teamsters Transportation Program ("TIP")**
FROM: **Board of Trustees**
RE: **Notice of a Special Enrollment Opportunity Through January 31, 2024**

You were previously notified that the Board of Trustees of the Teamsters Multi-Benefit Trust ("Plan") terminated its group contract with Kaiser Health Plan and, effective March 1, 2024, your Plan coverage will be provided by United Healthcare Medical Plan ("UHC"). Because of this change, you are being given a Special Enrollment Opportunity through **January 31, 2024**, to make changes to your Plan coverage.

Para recibir esta información en español, llame a la oficina Administrativa (888) 410-1756.

If you are currently enrolled in the Kaiser Plan, UHC will auto-enroll you with a Primary Care Provider ("PCP"). This means you will automatically be enrolled in the new UHC HMO Option and assigned a PCP. **If you would like to change your PCP within 30 days of initial enrollment, please call UHC at 1-888-641-9142.**

If you are currently enrolled in Kaiser and do not wish to enroll in UHC, you now have an opportunity during the Open Enrollment period to waive coverage in accordance with the rules of the Teamsters Transportation Program ("TIP"). Please contact the Administrative Office to request a TIP waiver form.

If you have previously waived TIP coverage, you now have an opportunity to enroll in UHC and your UHC coverage will begin March 1, 2024.

Note: Participants who either enroll in UHC or who are currently enrolled in Kaiser and fail to waive Plan coverage by February 29, 2024, and who are living in the UHC Harmony Network Medical Plan service area will be enrolled in the Harmony Network; Participants living outside the Harmony Network will be enrolled in the UHC Alliance Network
